Congregational Special Meeting: Sunday June 9 – Pentecost

9:45 am – One Worship Service
10:45 am – Brunch and Meeting to Vote on the Remodel

On Sunday, June 9, which is Pentecost—we will have one worship service at 9:45 am followed by a brunch and a Congregational Special Meeting. This will be your opportunity to vote on the remodel project. There are two opportunities to hear details about the project before that meeting—two forums—June 2 and June 5. Please try to attend one of them.

Early last year, we all had a chance to share our “dreams” of what we would like to see included in this project—a project to more fully utilize these rooms to enrich and broaden our ministry.

Since then, a group of our members have met many times to review each of those items that were discussed. We have prayerfully prioritized them according to those discussions and have sought the most cost-effective way to bring them to reality. Meetings with architects and contractors and congregational leaders have brought us past the place of dreaming—you now have your chance to make this happen this summer.

Here’s a list of the major elements being addressed by the project:

- Abatement process to remove all traces of asbestos from the two rooms (and the kitchen floor)
- Removing the existing wall paneling to allow for new electrical, insulation, and wallboard
- Improved lighting and acoustics in ceiling
- New energy-efficient windows and doors
- Redesign of the stage and storage area
- Removal of the never-used brick fireplace in the fireside room
- Improved storage for choir robes/music and quilting mission
- Sound and visual system preparation
- New floor covering, paint

Please include this project in your prayers – come to one of the forums – come to the June 9 meeting. Voting members of OSLC will have an opportunity to vote on June 9.
