Dear Members and Friends of Our Saviour's,

Thank you for the many ways you continue to reach out to friends and strangers and encourage one another. We face many **obstacles** these days but we are blessed when we see and act upon the **opportunities** to "Love Our Neighbor".

As the government continues to extend the "Stay at Home" order, we will continue to reach out to you via online email, hard copy letters and our website.

As Holy Week approaches, we are hoping to make Palm Sunday and Easter services available on video. You will be able to watch the services from our website.

Maundy Thursday and Good Friday – we will **post the AUDIO only** of the scripture reading and message on our website like we normally do.

Check out the Youth website that Alex, Our Student/Family Director created during this "locked in" time. It can be found at **oslcvine.org**.

Keep in Mind: You are able to watch "**The Chosen**" online streaming through YouTube.

Also, "**Pilgrim's Progress**" is being made available online free of charge.
